Safe 30 P Smart AC

Protect your belongings.
Security combined with technology.

Safe 30 P Smart AC features a practical knob, internal LED light, wired keypad, backlit display and internal mat. It keeps valuables safe with a triple security system. It comes with a Data Kit to store and analyze the last 300 openings made by users. Alphanumerical locking with 4-9 digits and emergency override with IB card or key. It has an internal european schuko socket and two USB 2.0 ports for recharging devices while in storage.
